At the end of 2023, a process of corporate reorganisation was initiated to separate regulated gas network activities and future renewable gas production activity which is not part of the existing bond perimeter on gas networks. As a result of this corporate reorganisation, the shares of Redexis, S.A.U. are now wholly owned by its parent company Redexis Energía, S.A., which is therefore the sole shareholder of Redexis, S.A.U..
